The library is located in Room 202, Building 101, next door to the Police Service and Parking Office. To get to the library from the main lobby, take the long hallway past the A, B & C clinics (up the ramp), and find the elevators to the left. Take the elevators to the second floor and take the first hallway to room 202.
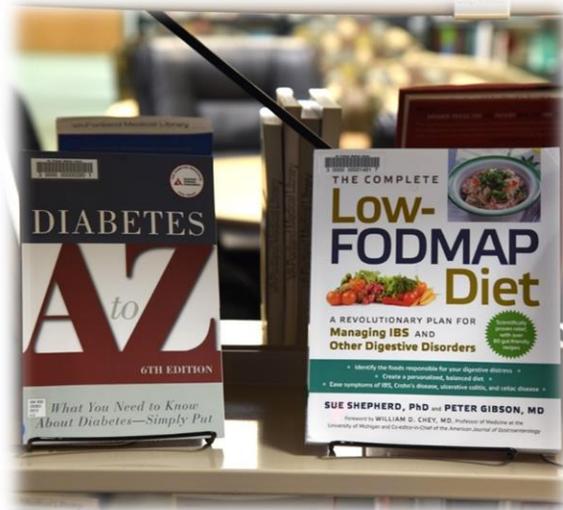

## Library staff are happy to help!

The library serves as a resource for medical staff, patients, and family members. Library staff can assist in finding information on a wide variety of health topics.
