Application deadline: application materials due by June 15, 2018 - applications submitted after June 15, 2018 may be considered, based on available openings.

Interviews: qualified candidates will be scheduled for an interview

Proof of RN license: Must be licensed by August 20, 2018

Tentative program start date: Week of September 4, 2018

Program overview: As a nurse resident, you will experience multiple clinical settings at the VA Portland Health Care System. Your year will be similar to a fellowship – you will earn significant work experience, training and skill development opportunities that are not typically available to someone starting out in an entry-level nursing position. Nurse residents are considered trainees and there is no commitment for continued employment after the completion of the year-long program. After a successful residency, we do hope that you will find your calling to care for Veterans within the VA Portland Health Care System!

Benefits of the VA Nurse Residency:

- Work alongside expert colleagues and preceptors in a year-long experience to enhance your clinical and leadership skills
- Focused clinical tracks – Oncology Care, Surgical Services (Outpatient Surgery), Surgical Services (OR), Mental Health, Gerontology/Wound Care, Post-Surgical Rehab/Skilled Care, Hospice/Palliative Care, Ambulatory/Primary Care, Inpatient Surgical Unit, & Inpatient Medicine Unit
- Diverse clinical experiences based on clinical track and interests of resident
  - Ranging from settings in acute care, mental health, rehab and skilled care, primary and specialty care, care coordination and navigation and more!
- Accrue sick and personal leave
- May be eligible for student loan deferment while in the program
- No required weekends or night shift
- 10 federal holidays off/year (paid)
- Earn an annual stipend (amount is in alignment to other national VA residency/fellowship programs)
Applicant Criteria:

- Graduate of BSN or MSN entry level program, accredited by Commission on Collegiate Nursing Education (CCNE) or Accreditation Commission for Education in Nursing (ACEN)
- Be a licensed RN by August 20, 2018 **OR**
- Be a licensed RN for less than one-year post graduation from your nursing program and have no RN position work experience
- Submission of required application content
- Minimum cumulative GPA of 3.0 from your nursing program
- Be a U.S. Citizen and meet standards for on-boarding, described below
- Commit to completing the 1-year RN residency program

Application Packet requirements:

- Completed **Application for Health Professions Trainees**, VA Form 10-2850D
- Copy of official transcript (show date degree conferred and cumulative GPA of 3.0)
- Copy of RN license or NCLEX authorization letter with plan or testing appointment*
- **Cover letter** (1-2 pages), including:
  - why you want this opportunity,
  - why you desire to work with the Veteran population,
  - your top 2 clinical tracks of interest (see below), briefly describing your interest (and experience) in each
